SPRING 2019

## PRESIDENT'S MESSAGE

This Spring we have many project to complete. The winter rains brought with it beautiful wildflowers and abundance of tall grass. Therefore our projects, the Outdoor Museum, the Blacksmith shop , the Bell Tower and new trails will bring us interesting projects for 2019. Here are some projects for the year:

1. Repair the roof of the Blacksmith Shop at the Casa Grande and clean the area so we can have visitors visit the clean area when the Museum is open.
2. Maintain weeds and workings at the Outdoor Museum at the Hacienda Entrance at Aq
3. Maintain Deep Gulch Trail
4. Monitor horse troughs in AQ.
5. Help with the work on cleaning and repairing the opening of the San Christobal Tunnel in AQ.
6. Create a design for the Incline Railway on Mine Hill at AQ.
7. Help with the planning and completion of a new trail at the Velasco Workings in Aq.

We work every Wednesday from 9am to 12noon.

On April 10, we finished putting 18 new Interpretive signs throughout New Almaden Quicksilver County Park. These new signs are stronger and have a new coating to protect against sun and dust.

Have a great Spring!!
