

QUICKSILVER COUNTY PARK NEWS

Newsletter of the New Almaden Quicksilver County Park Association

SPRING 2018

ISSUE 128

PRESIDENT'S MESSAGE

Our New Almaden Quicksilver County Park is the most used park in the 28 Park System for Santa Clara County Parks and Recreation. New camera work has been created in entrances to the Park System and visitors are counted at each entrance. At Almaden Quicksilver, the most popular entrance is at The Senador Mine at Mc Abee Entrance and The Bell Tower, Hacienda Entrance is # two in the 28 Parks. The interpretative signs, the historic sites, the new trails, and the beauty of AQ has been a drawing for park users. We are proud that New Almaden Quicksilver is so popular.

The Museum is very popular and with the addition of programs like Living History Day and Play Like a Miner attendance has grown. Volunteers are very active 3 times a week keeping the visitors interested in the history of Casa Grande and the mining years.

The Wednesday Crew of the New Almaden Quicksilver County Park Association is completing projects that are needed to enhance the activities of visitors. We have completed the restoration of the map desk at the Blacksmith's site , stopped any leaks at the Bell tower, and begun the new replica of a tunnel around the Blacksmith's Shop for Play Like a Miner Day.

Come and enjoy Spring time at Quicksilver.
